Dear Potential Volunteer,

Thank you for the interest you have shown in training as a Jasmine House Leicester Rape Crisis volunteer. Please find enclosed our ' Guide to volunteering' leaflet which, hopefully, answers most of your questions, an application form, an equal opportunities monitoring form, and a values from which we work information sheet.

On the training course various methods of training are used, such as small and large group work, general discussion, role-plays. Because of the experiential nature of the training it is usual for us not to use outside trainers unless we identify an agency with specialist expertise.

Prospective volunteers are expected to attend all our training sessions at the end of which an informal interview will take place. If you hold a certificate in counselling and are interested in a counselling placement, please let us know.

Currently we are looking for volunteers to run our help-line and to do any other adhoc duties necessary. There is also the opportunity, subject to satisfactory completion of our training and interview, to offer support sessions to our clients.

All successful applicants will be provided with a training certificate after a qualifying period, a Criminal Records Bureau check, ongoing supervision and support.

We hope you will consider volunteering with us and look forward to receiving your completed application form.

If you have any queries or questions, please do not hesitate to contact us on our business line number.

Regards

For and on behalf of
